AHMAD RAZE

Frontend Developer | Aspiring Full Stack

ahmadraze512@gmail.com | +62 821 4807 3588 | github.com/dekakme | https://ahmadraze.vercel.app/

PROFESSIONAL SUMMARY

Frontend Developer with 5+ years of freelance experience building responsive web applications with React.js, Next.js, and Tailwind CSS. Experienced in converting designs into functional interfaces (UI slicing), integrating REST APIs, and maintaining live projects based on client feedback. Backend foundation in PHP, Node.js, and MySQL, with a UI/UX and graphic design background that supports close collaboration with design and product teams. Eager to grow into a full stack role.

SKILLS

Frontend: React.js, Next.js (App Router), Tailwind CSS, Bootstrap, HTML, CSS, Responsive Design, UI Slicing

Backend & Database: PHP, Node.js, MySQL, REST API Integration

Languages: JavaScript (ES6+), TypeScript, PHP, Lua

State Management: React Hooks, Context API

Tools: Git, GitHub, Vercel

Soft Skills: Communication, Agile and Scrum, Technical Problem Solving, Cross-functional Collaboration

WORK EXPERIENCE

Freelance Frontend Developer | Self-Employed *2020 – Present*

- Converted designs and mockups into responsive, user-friendly interfaces using React.js, Next.js (App Router), Tailwind CSS, and Bootstrap
- Integrated REST APIs and managed application state with React Hooks and Context API
- Designed and managed MySQL databases for PHP-based web applications (tables, relations, CRUD queries)
- Built and operate razeinvitation.com, a digital wedding invitation service (PHP), handling design, development, and client support end to end
- Gathered requirements from clients and maintained live projects through continuous iteration based on feedback

Game Environment Developer | Roblox Platform *2025 – 2026*

- Developed interactive game maps and environments using Roblox Studio
- Implemented gameplay logic, event-driven systems, and state-based mechanics using Lua
- Optimized performance and improved user interaction experience

OTHER EXPERIENCE

Graphic Designer | Kepolisian Resor Tapin *2020 – Present*

- Designed Instagram posts, banners, and digital assets for public information campaigns and institutional events

Graphic Designer | Ladena Scarves *2024 – 2025*

- Produced visual content and product photography for Instagram marketing, keeping a consistent brand style

EDUCATION

Universitas Islam Kalimantan Muhammad Arsyad Al Banjari *2019 – 2024*
Bachelor of Computer Science (Teknik Informatika)
